PUSAT INTERNET 1 MALAYSIA (PI1M) KG SURAU, PERLIS

SUCCESS STORY FOR PI1M FORUM 2015

Maxis Confidential

Brief Background

- ❑ Adik Haiqal is a 'special child' who has learning difficulties with formal educational program.
- ❑ He is diagnosed with Attention Deficit Hyperactivity Disorder (ADHD)*. Due to his disability, Haiqal does not attend formal secondary school education.
- ❑ When Haiqal first stepped into PI1M Kg Surau, we noticed that he couldn't even read or write his own name.
- ❑ We decided to take the bold move of helping Haiqal with simple and intuitive learning steps.
- ❑ Our aim is to provide him with necessary assistance and proper guidance for him to learn basic education, gather knowledge and inspire him to be at par with children of his age.

*Note: Attention deficit hyperactivity disorder (ADHD) is one of the most common childhood disorders and can continue through adolescence and adulthood. Symptoms include **difficulty staying focused and paying attention, difficulty controlling behavior, and hyperactivity** (over-activity).

How PI1M Guides Haiqal

❑ Interactive Educational Games

- Letters sorting games with Colours and Sounds to attract his attention

❑ Writing Letters and Numbers Exercises

- Repetitive exercises

❑ Psychological Encouragement

- Encouragement through reward
- Individual and Parenting Counselling

Impacts of P1M & Internet On Haiqal's Life style

- After several fun learning and guided sessions, Haiqal can proudly spells and writes his own name in the log book without much needed assistance.
- Now he is a proud owner of a Facebook account where he can interact with others in social media with assistance from some friends.
- He also owns a mobile phone and this further improves his verbal communication skills.

Whats Next for Haiqal

- He now spends more time in PI1M as he continuously educate himself with basic IT knowledge, online education and basic information
- We are proud to be part of Haiqal's self development and we will continue to provide all the support that he needs.
- We are ready to tackle the challenge of educating Haiqal and be part of his individual growth by giving proper guidance and assistance.
- Haiqal's will to improve and learn, as well as his strong spirit to not let his disability be a hindrance, need to be harnessed and sharpened to ensure a promising future
